

Park County School District #1

Office of the Coordinator of Support Services

INTEROFFICE MEMORANDUM

TO: JAY CURTIS, SUPERINTENDENT
FROM: ROB MCCRAY, COORDINATOR OF SUPPORT SERVICES
SUBJECT: RECOMMENDATION TO ACCEPT THE PROPOSAL FOR SCHOOLWIDE COMMUNICATION REPLACEMENT
DATE: 6/5/2025

Mr. Curtis –

We received one proposal for the PHS Intercom/bell/classroom audio replacement. This was bid through the AEPA/New BOCES Contract 024H-WY-2029(Schoolwide Communication). The AEPA is The Association of Educational Purchasing Agencies. That co-op provides member schools with pre-determined preferential pricing by approved vendors. The products have already been bid at the national level, so we don't have to duplicate the formal bid process.

Audio Enhancements
9858 S. Audio Dr.
West Jordan, UT 84081

Their supplied bid proposal met all of the specifications. This project is funded by Major Maintenance dollars and has been approved through the Wyoming SFD under Work Order 140727.

I recommend the Board approve the proposal from Audio Enhancements, in the amount of \$320,021.40, and proceed with the completion of the contract to replace the classroom audio, intercom and bell systems in the summer and fall of 2025.

Respectfully,

Rob McCray, COSS
