Subject: PHS Journalism Takes State

Congratulations to the staff of the [PHS Prow!](#) Our PHS journalists took first in the 3A/4A division for newspaper at State Journalism in Casper yesterday and have worked diligently and cohesively to accomplish their third consecutive state championship. Also, congratulations to **Nalani Jordan** for earning first-place honors in the 3A/4A Photography division. We are happy for all of these aspiring journalists and so pleased with how well they represent PHS!

The following students have also earned Bronze Star awards for their writing portfolios:

Caitlin Belmont

Danica Bobick

Ethan Cartier

Toby Sessions

Brighton Streeter

Kate Williams

You should have seen how excited the students were to be welcomed home to Powell by the firetrucks and police escort and to have Mr. Wormald, Mr. Despain, and students' families at the school to congratulate them when the bus pulled in. We truly appreciate how our district and community support and celebrate student success.
