**MISSION
STATEMENT**

**We will INSPIRE CURIOSITY and
GROW the KNOWLEDGE of
ALL learners.**

Revised in August 2022

We envision a school culture:

Where all staff-

1. Deliver high-quality and research-based instruction;
2. Provide **differentiated instruction** tailored to each student's academic needs;
3. Value and promote the **learning of all** within our community;
4. Are **sensitive and responsive to the general well-being** of each student; so that

All students demonstrate **compassion for others, perseverance, and confidence** in their own unique strengths and abilities to reach their full potential.

Great to Greater

Audrey Duyck
Teacher

<p>Job Description</p> <p>A teacher helps kids by teaching them new and exciting things according to their grade. To me a teacher helps shape the kid in a way their parent can't. Teachers are like an extra parent for some and a best friend for others.</p>	<p>I am interested in this career because...</p> <ul style="list-style-type: none"> • I LOVE to help kids in almost anything or just being with them as somebody to come to. • I love learning. It is like an addiction to my brain and even outside of school I am eager to learn as much as possible.

Kolbie Parker
NBA Player for the Denver Nuggets

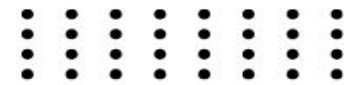

<p>Job Description</p> <p>They need to be good at working with other people. They need to be able to talk in front of a lot of people and talk during a conference. And be willing to work with children in their areas. And be able to work hard on and off the court like practicing a lot so you can be good on the court.</p>	<p>I am interested in this career because...</p> <ul style="list-style-type: none"> • I can make a lot of money that I donate to a charity. • I can get in good relationships with other players and famous people. • I can work with kids during my off season. I get to play the best sport just for fun and for a ring and a trophy but mainly to just have fun. • During the off season I will need to practice but also have time with my family.
