Experience/Out of District: On the recommendation of the Activity Director and approval of the Superintendent, the position of High School Head Coach/Sponsor may be placed at any level up to and including Increment 3. In instances of a new position of lesser responsibility than that of which the coach/sponsor had at his/her previous employment, each situation will be evaluated as to an appropriate placement and the individual may be placed up to and including Increment 3.

Experience/In District: Credit is only allowed for coaching/sponsorship experience earned in the area being assigned. In instances of assignment to a new position of greater responsibility, the coach/sponsor will be placed on the appropriate column and increment so that a reduction in compensation will not occur. When movement on the Addendum Schedule is awarded to other coaches eligible for movement, appropriate/comparable movement may be allowed for the newly placed coach. On the recommendation of the Activity Director and approval of the Superintendent, given the individual's prior coaching experience of greater responsibility, each situation will be evaluated as to an appropriate placement of a coach/sponsor moving to a position of lesser responsibility. This would also include a coach who enters back into a previous position after a lapse in time.

As an activity assistant, compensation will be at the activity assistant rate unless there are 15 or more participants. In such cases, if you hold a coaching certification through PTSB, you will be paid as an assistant coach for that sport.

DPN=Dependent on Participant Numbers
